Expected 1st device shipment date: 2021/5/6

Last order date for manual parts: 2021/2/20

Last shipment date for manual parts: 2021/7/30

Product Category (Description):

All the devices in SMA, SMB and SMC packages which are assembled and tested in Taiwan Semiconductor Yangxin facility (YEW).

Description of Change:

Taiwan Semiconductor Yangxin facility (YEW) will now discontinue manufacturing all the SMA, SMB and SMC devices using manual line as the material supplier for leadframe will stop production. The last time order can only be placed until 20th of February 2021, but production support will be limited to the available remaining supplier material inventory.

All these devices are already processed in high volume production using the automated (matrix) line. This change will improve delivery support and service to all TSC customers.

This is the final notification summarizing all the previous PCNs released related to matrix line conversion as per table below.
