Title:	Adding thinner inner boxes for tape and reel (TNR) order shipments
Effective Date:	July 27, 2016

Type of Change:	<input type="checkbox"/> Product	<input type="checkbox"/> Process/Material	<input checked="" type="checkbox"/> Other: Adding thin inner box for TNR shipments
------------------------	----------------------------------	---	--

Products Affected: All SiTime products shipped in tape and reel packing medium.

Reason for Change: Potential shipment cost benefits to our customers and improved environmental foot print (lower disposal/recycle load on environment for paper waste)

Description of Change: Thin inner (pizza) box has been added as inner shipping box medium for tape and reel packing. The shipment received after the notice date may contain current (thick) inner boxes as well as added (thinner) inner boxes until the current inventory of thicker inner boxes is depleted. The change is summarized below:

Current inner box for TNR shipments	Added inner box for TNR shipments
Thick inner box for TNR shipments	Thinner inner box for TNR shipment
Refer to Figure-1 and Figure-2 for details	

There is no change in form, fit, function, quality and reliability of SiTime parts from this change. This change may result in cost savings for customer shipment as well reduced demand for disposal/recycling of paper waste.
