

End of Life Notification
(Notification - P1910057-DIGI)
October 22, 2019

To: *Our Valued Digi-Key Electronics Customer*

Overview: The purpose of this notification is to communicate Renesas Electronics America, Inc. (REA) has begun the End of Life (EOL) Process on select part numbers.

The devices on this notification and their replacements were previously on several PCN's from 2017 to 2019. At the time of the original PCN's, the replacement part numbers were announced and made available, but the original part numbers were not discontinued. This notification announces the EOL of those original part numbers.

The replacement part numbers from the original PCN's all change the bonding wire from Gold (Au) to Copper (Cu), and include a variety of changes. Please refer to the original PCN's (listed in the Appendix) for details of all the changes.

Affected Products: A review of our records indicates the list of products in the Appendix may affect your company.

Part numbers given in this list are for active part numbers in REA database at the time of this notification.

Key Dates:

Final last time buy (LTB) orders of original part number placed to REA or to a franchised REA distributor.	Jan. 15th, 2020
Planned date for last time shipment (LTS) from REA.	Apr. 15th, 2020

Response: Please place last time buy (LTB) orders in a timely manner prior to the key dates listed to avoid product availability issues. If you anticipate volumes beyond your regular rate, please contact your REA sales representative with a forecast of your requirements. Shipments between the LTB and LTS dates are Non-Cancelable and Non-Returnable (NCNR).

You are encouraged switch to the suggested replacement device as soon as possible.

Please contact your REA sales representative for any questions or comments.

Thank you for your attention.

Sincerely,

Renesas Electronics America, Inc.
